Dear Ken:

I have just received the list of shareholders. As I told you last night, until yesterday it was my understanding that you were working with management to review this list.

As to the minutes, as I told you earlier this week, the redacted minutes are in my office. I am waiting for you to come by and review them. Please contact this office to arrange a time when you can in and inspect both the minutes and the shareholders list.

Andrew P. Brucker
